

Transforming Careers, Building Futures

Empowering Growth & Transformation

ABOUT US

Altero Advisory, backed by a leading business house with a strong legacy in education and media, offers world-class executive education, advisory, and career development services. In collaboration with global universities and top consulting firms, we provide tailored corporate and open enrollment programs designed for middle to senior-level professionals. Our innovative hybrid learning model bridges skill gaps, delivers real-world insights, and offers joint certifications, ensuring impactful career growth.

Executive Education | Career Development | Advisory

Founder Speaks

Abhishek Mohan Gupta
Founder

“At Altero Advisory, we believe in empowering individuals and organizations to unlock their full potential through executive education, skill training, and transformative advisory services. Our mission is to build innovative institutions, enhance business agility, and cultivate a culture of lifelong learning. “

Chief Executive Officer

Arijeet Sengupta
Chief Executive Officer

Arijit is a seasoned corporate leader with 30+ years of expertise in corporate strategy, brand advocacy, and management advisory. Specializing in brand strategy, reputation management, marketing, and investor relations, he advises boards on ESG, corporate governance, and digital transformation.

Arijit has led organizations through complex challenges, driving corporate reputation and stakeholder engagement globally. His leadership spans top firms like NSE, Fidelity Investments, L&T Finance, Ogilvy, and Times of India.

In addition to his corporate achievements, he serves on the governing body of JLU, a leading global university in Central India, and is a visiting faculty member at leading business schools, including IIM and MICA.

Career Development

*Empowering
professionals to
explore, grow, and
thrive through
transformative
career development
experiences.*

Altero's Career Development program offers a unique blend of education and experiential learning through immersive travel experiences across Asia, Europe and the UK. Designed to enhance career exploration and professional growth, the program provides students with firsthand exposure to prestigious universities, global industries, and cultural landmarks.

Participants gain valuable insights through university visits to global institutions and will get industry exposure at leading corporations, innovation hubs, and research centres. Skill development workshops focus on areas such as digital transformation, and emerging industry trends, ensuring students are well-prepared for future challenges. Additionally, there are cultural and historical explorations, including visits to heritage sites, museums & places of relevance & importance.

Advisory

Our advisory services focus on specialization to ensure guidance to CXOs, CTOs, and business focused on succession planning, capital raising, family wealth management, and organizational restructuring to name a few.

Key focus areas include:

Strategic Business Transformation

Helping organizations navigate digital disruption, market expansion, and operational optimization.

Leadership & Succession Planning

Supporting businesses in identifying and nurturing future leaders for long-term success.

Capital Raising & Investment Strategy

Providing guidance on funding, M&A opportunities, and financial growth strategies.

Global Risk & Sustainability

Advisory on geopolitical risk, climate change, ESG integration, and regulatory compliance.

Global Partnerships

Altero Advisory's partnerships with global universities and leading consulting firms are at the heart of our mission to deliver world-class executive education and advisory services. These collaborations enable us to provide cutting-edge insights, industry-relevant curricula, and globally recognized certifications.

The Key Highlights of Our Partnerships are:

Access to Global Expertise

- Collaborate with faculty and industry experts from top universities and consulting firms.
- Leverage research-driven insights and real-world case studies to deliver impactful learning experiences.

Joint Certifications

- Participants earn certifications co-branded by Altero Advisory and partner institutions, enhancing their professional credibility.

Diverse Learning Opportunities

- Programs designed to address global business challenges, from digital transformation to sustainability.
- Exposure to international best practices and emerging trends.

Global Network

- Connect with a network of professionals, academics, and industry leaders across the globe.

Why Choose Altero Advisory?

Global Recognition & Joint Certifications:

Enhancing career and business growth opportunities

Renowned Faculty & Industry Experts:

Providing real-world perspectives and practical knowledge.

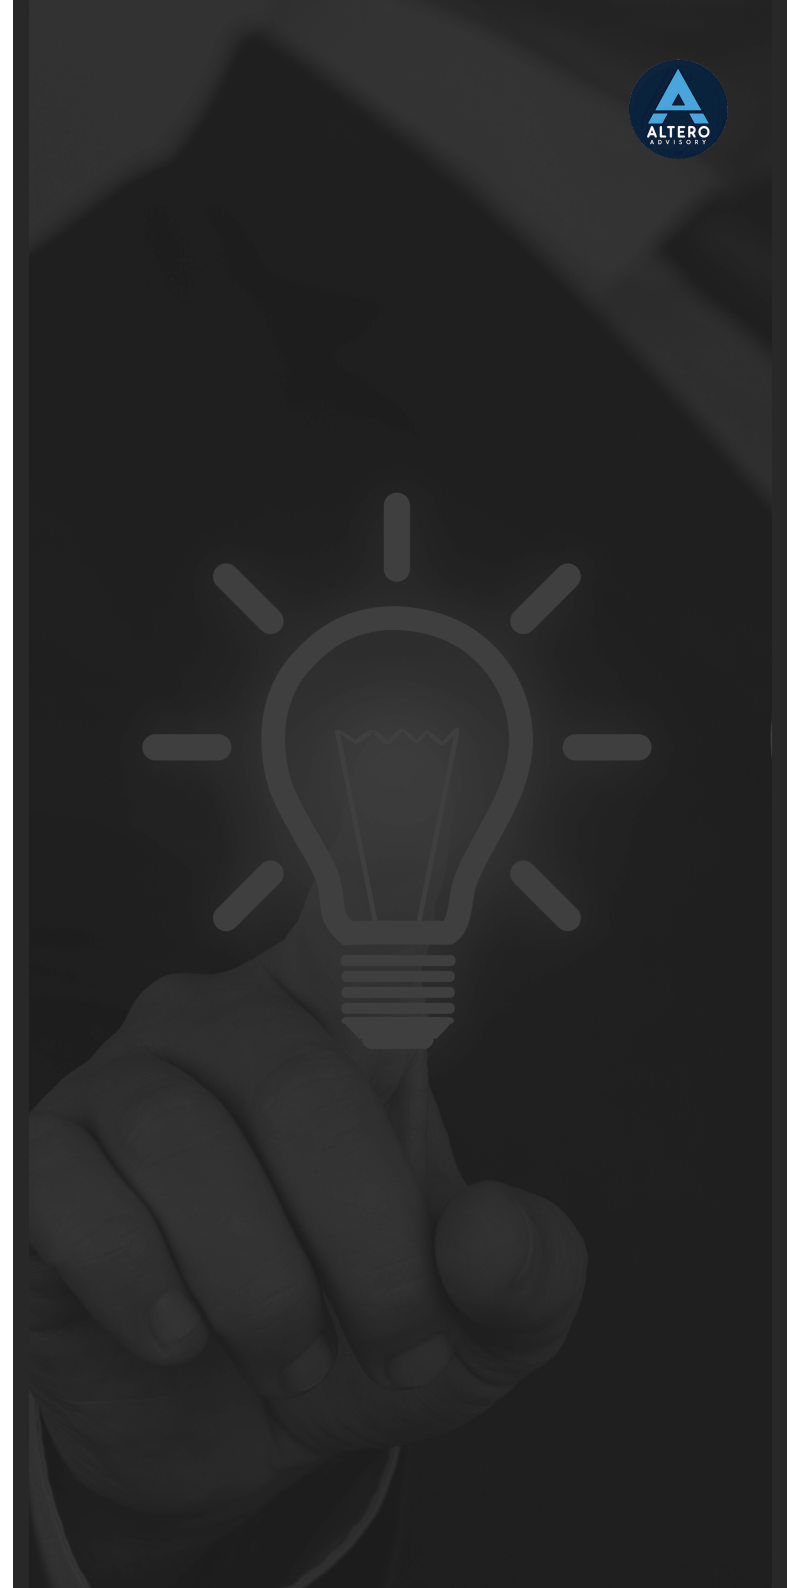

Partnerships with Leading Universities & Consulting Firms:

Ensuring best-in-class curriculum and industry insights.

Career Development program:

Offers a unique blend of education and experiential Learning through immersive travel experiences across Asia, Europe and the UK
